## CHAMPION CHILDREN

This year, we have 55 Champion Children who serve as the face for all children treated at their local hospital. By sharing their personal stories, these children are living examples of the incredible work happening at Children's Miracle Network Hospitals® member hospitals throughout the country – and why your support of this event is so critical. We are honored and grateful to welcome each of them and their families to this year's event.

## COURSE INFO

### NCR Country Club

NCR Country Club is a unique facility, located in Southwest Ohio, that can proudly boast of having two Dick Wilson signature golf courses. The famed architect is credited with such historic designs as Bay Hill, Cog Hill, Doral, and Laurel Valley to name just a few. The South Course, a par 71 covering 7,055 yards of wooded, rolling terrain, has long been considered a championship caliber golf course. The South Course has been the venue for many recognizable national events. It was the site of the 1969 PGA Championship, the 1986 U.S. Women's Open, the 1998 U.S. Mid Amateur, the 2005 U.S. Senior Open, and most recently the 2013 USGA Women's State Team Championship, and the 2022 US Senior Women's Open. In contrast, the North Course is a prairie style, links type golf course with a par of 70 covering a total of 6,828 yards. The North Course is a perfect complement to the South Course, offering a welcomed change of pace while still offering a stern test of golf for golfers of any ability level.
